## Corporate Profile

Ciena is the network specialist. We collaborate with customers worldwide to unlock the strategic potential of their networks and fundamentally change the way they perform and compete. Ciena leverages its deep expertise in packet and optical networking and distributed software automation to deliver solutions in alignment with OPn, its approach for building open next-generation networks. We enable a high-scale, programmable infrastructure that can be controlled and adapted by network-level applications, and provide open interfaces to coordinate computing, storage and network resources in a unified, virtualized environment. Investors are encouraged to review the Investors section of our website at [www.ciena.com/investors](http://www.ciena.com/investors), where we routinely post press releases, SEC filings, recent news, financial results, other announcements and, from time to time, exclusively post material information as with the other disclosure channels that we use.
